Freedom
 Fall 2012

After a year of rest and reflection, Wind Daughter will once again be traveling and teaching.

In the fall 2011, while praying in the Cave on her property at West Winds, Wind Daughter received the instruction to work with the energy of FREEDOM when she went back out to do her work.

She was told FREEDOM is a choice. We just have to be strong enough to embrace the change it takes to be FREE.

Through Ritual and Ceremony, opportunities will be offered for each Woman to take the steps necessary to achieve the FREEDOM she wants.

In February 1992, *Wind Daughter* founded West Winds, a spiritual and educational center for people seeking safety of religious expression and a connectedness to Mother Earth. In December 2004, after years of searching, Wind Daughter located a permanent home for West Winds, in Arkansas. She is the Keeper of the Sacred Beta Star Bundle and Caretaker of the Black Lodge. Her teachings are mostly experiential and her gift of song helps people connect with all their relations.

She has served as the Medicine Chief of the Panther Lodge Medicine Society since 1995.

Wind Daughter is the adopted daughter of Bear Heart, in 2001, after studying under Bear Heart for many years, he honored her by giving her his permission to conduct Vision Quests in his traditional way and as Spirit guides her for generations to come.

Please consider joining Wind Daughter on this Journey toward FREEDOM as she stands side by side with the Women while they make their choice to become FREE
